

IN THE SPECIFICATION

Please amend the paragraph on page 8, lines 24-29 as follows:

As illustrated in FIG. 3, the user input interface may be displayed on a display screen 118 of PDA 114. Alternatively, PDA 114 may be used in connection with a graphical user interface 115 that the user is familiar with and that is displayed on a display device (such as television 112). For example, the graphical user interface 115 may be formatted in the same manner and display similar options and button use as the user's current menu options available in DirecTV®.
